The students were divided into two committees: General Assembly and United Nations Environment Programme. While the GA concentrated on the topic 'Terrorism', UNEP was all about 'Environmental Issues'. The students of class VIII and IX were the delegates who represented their countries. The Executive Board consisting of Chair, Rapporteur, and Director was very supportive and encouraged the delegates to interact. Class XI took out a newsletter, 'MUN GAZETTE' every day. The session unfolded in three phases namely Moderated and Unmoderated Caucuses and Speaker List. The session winded up with the Resolution making by GA and UNEP.
