# PICNIC FOR CLASSES V AND VI

*The students of class V went for a picnic to Vyara Gardens and class VI visited the Dharampur Science Centre on 7 March 2009.*

## ***Multiple Intelligence Week***

*The students of Classes Pre- Nursery to II ended the academic year 2008-09 with aplomb. Multiple Intelligence Week was celebrated from 9 to 13 March. The students took part in various activities related to the concepts learned throughout the year. The activities were planned in such a way that all the nine intelligences were covered according to their levels. The students had a wonderful time playing various games. The unconventional way of teaching without books not only increased their grasping power but also enhanced their retaining power and concept clarity. Some of the activities were:*

**Class II: Bingo, Crow- crane, Words Antakshri, Enacting stories, Hit the can, Musical arms.**

**Class I: Hit the ball, Musical chair, Memory game, Puzzles**

**Prep: Mixing Colors, Skip counting with animal masks, Collage work related to Nature, Puzzles, Name- place- animal- thing, Memory game**

**Nursery: Treasure Hunt, Musical chairs, Shopping Fun, Water-play.**

**Pre- Nursery: Tippy tap, Opposites, Jumping with alphabets, Find the place.**

# CLASS EXHIBITION

A class exhibition was conducted from 16 - 18 March by the students of class III to VI where all of them got a chance to display their talents.

# **INTERNATIONAL** **MATHS OLYMPIAD**

The Class Toppers of International Math Olympiad for classes III to VI for the academic session 2008-09 are:

<u>Name of the student</u>	<u>Class and Section</u>
ROHAN MAHESHWARI	III H
ASHUTOSH AWADHESH TIKMANI	IV D
AASTHA DHANESH RATHOD	V A
ANURAG KUMAR SUNDARKA	VI E

## WORKSHOP ON COMMUNICATIVE APPROACH TO LANGUAGE LEARNING

*Council of Education Management, Delhi Public School Society, conducted a four-day workshop on Communicative Approach to Language Learning: English from 25-28 March 2009. The venue for the workshop was KR D Centre, DPS Dwarka. The workshop focused on the need to enhance the LSRW skills in students so as to make teaching and learning more effective. The school was represented by Ms. Sugandha Acharya.*

## **Multiple Intelligence Week**

*The students of Classes Pre- Nursery to II ended the academic year 2008-09 with aplomb. Multiple Intelligence Week was celebrated from 9 to 13 March. The students took part in various activities related to the concepts learned throughout the year. The activities were planned in such a way that all the nine intelligences were covered according to their levels. The students had a wonderful time playing various games. The unconventional way of teaching without books not only increased their grasping power but also enhanced their retaining power and concept clarity. Some of the activities were:*

**Class II: Bingo, Crow- crane, Words Antakshri, Enacting stories, hit the can, Musical arms.**

**Class I: Hit the ball, Musical chair, Memory game, Puzzles**

**Prep: Mixing Colors, Skip counting with animal masks, Collage work related To Nature, Puzzles, Name-place-animal-thing, Memory game**

**Nursery: Treasure Hunt, Musical chairs, Shopping Fun, water-play.**

**Pre- Nursery: Tippy tap, Opposites, Jumping with alphabets, Find the place.**

## FIELD TRIP

Students of Class XII. Science stream, visited *Lunar Chemicals*, a government approved manufacturing unit making alcohol from molasses as well as methane gas from the residue. The trip was taken on 27 March and students actually enjoyed this firsthand experience of seeing a chemical process in action.
