## THE ILLUMINATI – THE ENLIGHTENED.

Someone rightly said that to be successful, you need to stay informed. Keeping yourself informed not only helps you to stay aware of daily happenings but also helps to up your intelligence levels significantly. So when someone discusses about the latest style trends or the recent music fad for that matter, you don't have to be hard-pressed for words. Being informed not only helps you to have a snapshot of current events, developments and changes but also equips you to communicate in a better way.

But then again in this fast pacing world , where a moment's halt can lead to a 10 fold leap in the past , we need to be forever on our toes. ILLUMINATI thus is your own- self guide to brief you up with the seasons trends. We as editors have collectively decided upon a few ' must know' of this season. Being a teen magazine we have mainly focused on ideas and activities that does not require much fuss and can be done with ease. One of the many attractive highlights in our magazine is the 'DIY's – Do It yourself' where as a name suggests there are a few simple technique for you to try. Also ILLUMINATI suggests a few places in the city where you can hang out with your lads . Not only this we have also dub up a few handy websites and detailed all the guide you need on fashion , music , movies and novels. Oh! And if you happen to have a sweet tooth , our easy to make desert recipes might just prove to be heaven for you.

Now now! don't delay any further as you are just a few pages away from being your smarter self.

INDULGE!. Its addictive , we warn you.
